PETITION TO WITHDRAW HOLDING OF ABANDONMENT
Under 37 C.F.R. §1.181

COMMISSIONER FOR PATENTS
WASHINGTON, D.C. 20231

Sir:

Applicant recently received a NOTICE OF ABANDONMENT, indicating that the above-identified application is abandoned for failure to timely file a proper reply to the Notice to File Corrected Application Papers mailed on May 5, 2005.

However, we did receive the Notice to File Corrected Application Papers.

We routinely docket the incoming communications from the USPTO, that involve a deadline the applicant must meet, by inputting into our database such information as the mailing date (BEGIN DATE) of the communication, the initial due date (DUE DATE), the final deadline (DROP DATE), along with identification information such as the application number (APPL. NO) and the docket number (DOCKET NO). After a response is filed, we also input the date of filing the response (FINISH DATE). After entering the database, a copy of the communication will be made and sent to a client with a report letter. The original communication or a copy of it is then put into a corresponding file jacket.

Enclosed herewith is a copy of the docket record from May to August of 2005, where the non-received Notice to Corrected Application Papers would have been entered. The Notice to File Corrected Application Papers of May 5, 2005 does not show in the docket record.

We have also searched our file jackets, especially those with a docket number similar to that of the present application, the Notice to File Corrected Application Papers is not found in those file jackets.

The undersigned hereby states that the Notice to File Corrected Application Papers of May 5,

PATENT
Docket No. JCLA4539-CA
page 2

2005 was not received. Thus, it is requested that the holding of abandonment be withdrawn.

After receiving the Notice of Abandonment, the undersigned has downloaded the Notice to File Corrected Application Papers of May 5, 2005 from the USPTO web site. A response to the Notice to File Corrected Application Papers is filed with this petition.

No fee is believed to be due. However, the Commissioner is authorized to charge any fees required in connection with the filing of this petition to account No. 50-0710 (Order No. JCLA4539-CA).

Respectfully submitted,
J.C. PATENTS
